To All Hite Company Associates:

The Hite Company is pleased to announce the opening of our twenty-second branch located in York, Pa. Our new operation will be located at 1803 Mt. Rose Avenue (Building "A" Prospect Commerce Center), and will open in the first quarter of 2012.

Our new 16,000 square foot York facility offers customers a convenient source for all of their electrical supply and lighting needs through a counter sales operation, expansive local inventory, and daily delivery. This location will be supported on a daily basis by our 40,000 square foot regional distribution center in Harrisburg, Pa. Additional information, including contact numbers and branch personnel will be distributed as the formal opening plans are confirmed.

Founded in 1949, The Hite Company is a full-line electrical distributor serving the needs of residential, commercial, industrial, and institutional customers. In addition to electrical supplies, product lines supplied by The Hite Company include lighting for commercial, industrial, and residential facilities, automation equipment, datacom products, electronics, audio/video equipment, and power quality products.

We are excited to expand our service to the York market and surrounding areas and look forward to becoming part of the York business community.

If you should have any questions on our new location or would like to establish a credit account, please don't hesitate to contact us.

Sincerely,

T. Scott Lawhead  
President/CEO

Ronald R. Eberhart  
Sr. VP/COO
